BEFORE YOU START

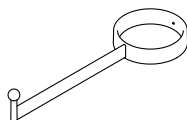

Read these instructions carefully before commencing installation. Do not attempt to fit installation unless you are competent. If in any doubt consult a qualified electrician. Before commencing installation ensure that the power supply is disconnected at the fuse box.

CONTENTS

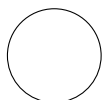

1 x Mounting Neck

1 x Ring Arm

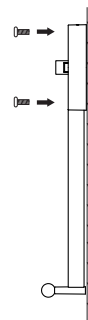

1 x Glass Globe

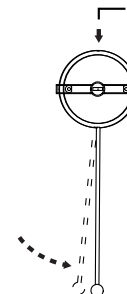

1 x Hex Key

3. Fix the Mounting Neck to junction box.

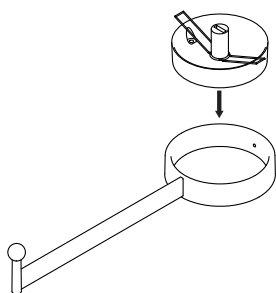

4. Adjust the Ring Arm so that it is vertical and then tighten the set screw with the hex key.

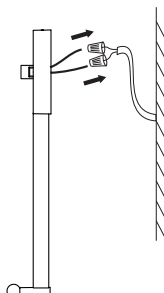

INSTALLATION

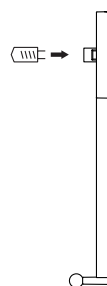

1. Place Mounting Neck into the ring arm

2. Connect the power source and ground wire using twist on cone connectors.

5. Insert G9 light bulb (sold separately) into lampholder.

6. Attach the Glass Globe: pull springs together, inserting them into the globe while gently releasing as you position the globe into holder.
