

Material Wall Lamp

The Material series highlights the power of simplicity in form and allows you to bring the beauty of natural materials into the interior. The table lamp features a pivoting head for added function, and a sleek black frame that places your chosen material front and centre. Perfect for the home office, study, or as reading light in the living room, where the tactile textures of the materials will add warmth and depth to the interior.

Product highlights

- Part of the Material family, which includes a table lamp, floor lamp, wall lamp, and pendant light.
- Compliant with CE and ETL standards, making it suitable for use in both EU and US markets.
- Available in a variety of materials and finishes to complement different environments.
- Ideal for use in both public and private settings.

Product Type	Wall Lamp, Lighting
Designer	Nørgaard & Kechayas, 2019
About the Designer	The no-nonsense design duo argues that great original design has nothing to do with price, but everything to do with the ability of its creator. That spirit of craft, combined with Nørgaard's reflective mind and Kechayas' "just do it" attitude, has made them a well-known name on the Danish design scene.
Environment	Indoor
Country of Origin	PRC
Assembly Requirements	The base and shade should be attached to the lamp pole.
Material	The Material Wall Lamp is a simple lamp in powder-coated steel featuring several interchangeable shades made from a variety of materials, including steel, concrete, marble, cork, and more.
Light Source included	No
Cleaning & Care	Use a soft, dry cloth to remove the dust from the lamp. For deeper cleaning, dampen a cloth gently wipe the surface. If needed, use a mild detergent. Always test a small area first to ensure it does not damage the finish. After cleaning, use a dry cloth to wipe away moisture, since moisture can damage the material. Pay extra attention to the marble shades while cleaning - Marble is a natural material, it is sensitive to liquids. If the liquid is not removed immediately, spilled liquids can leave a permanent stain.

Dimensions

Height: 230 mm / 9.1"
Width: 130 mm / 5.1"
Depth: 180 mm / 7.1"

Packaging Dimensions

Height: 210 mm / 8.3"
Width: 2310 mm / 90.9"
Depth: 310 mm / 12.2"
