

SELENE

SW.013.13.05

name: selene
finish: satin nickel
type: cabinet knob
mm dim: L 32 x W 34 x D 26
in dim: L 1,26 x W 1,34 x D 1.02
weight: 170 g

DESCRIPTION

SELENE holds a quiet presence—its sculptural form defined by softly swelled sides and a subtly concave top and bottom. This gentle asymmetry lends SELENE a sense of poised direction and tactile refinement.

SELENE CATENA offers a striking complement, extending SELENE's silhouette with a cascading chain detail. At once bold and refined, the design takes cues from ornamental silk tassels and fine jewelry, with the chain itself becoming an integral expression of the hardware.

Together, SELENE and SELENE CATENA form an evocative pairing: one grounded in sculptural simplicity, the other animated with dynamic movement. Crafted in Satin Nickel finish—the soft, muted sheen invites touch and lends a quiet sophistication to cabinets & closet doors.

CARE INSTRUCTIONS

All our finishes are uncoated and will naturally develop a beautiful patina over time. We recommend the occasional use of a soft damp cloth to help preserve the finish. The polished finishes can be given a light polish to restore the original sheen.
